

**ANTENNA DROP LOCATION – FIRE STATION 5**  
**2195 N Shoreline Blvd. at Crittenden Lane**  
Thomas Guide: 791 J7

**WHERE TO ENTER:**

Enter the parking lot to the northeast of the fire station 5 on Crittenden Lane. Park in the gravel lot. (FS5-1). Enter the station through the front door facing Crittenden Ln. If the door is locked use the code provided by the AEC to enter the building. The keypad is on the front door (FS5-2) Call out to make sure that anyone there knows you have entered. (Break room/kitchen is down the hall at the back of the station - upstairs are the private sleeping quarters).

**LOCATON OF THE CABLE DROP**

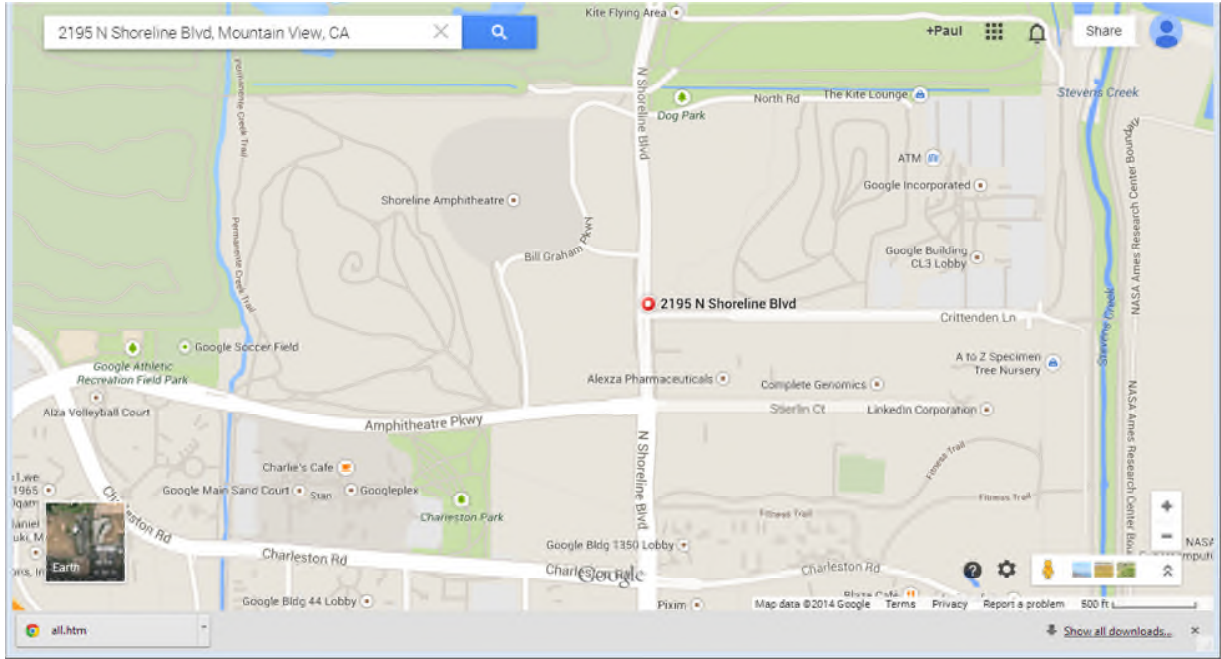

After entering the front door, walk through the door labeled "Employees Only". Enter the office through the first door on your left. The antenna drop is located in a grey metal wall box above the desk on your right (West wall). See photos FS5-4 and FS5-5. FS5-5 is a view with the Antenna drop box open. Locate the grey metal clipboard in the top right-hand drawer of the desk below the antenna drop (FS5-6). The box has message forms, diplexer, cable, etc. in it. (FS5-7).

**WHERE TO SET UP YOUR RADIO**

You may set up your radio on the desk below the antenna drop (FS5-4). You may need to carefully clear space on the desk to set up your radio. If you need more space you may use the top of the file cabinets to your right.

Please put everything back the way you found it before you leave. As a courtesy, please let the Captain on duty or other available staff know when you are leaving.
